She is the author of the daily devotional *Fresh Baked Manna* which has generated popularity through various social media streams. Whitney Capps: Whitney Capps is a national speaker for Proverbs 31 Ministries and a writer for the new Bible app, First 5, with more than 1,000,000 downloads and users. Whitney's first book (B & H Publishers) and bible study with video curriculum (LifeWay) will be released in early 2019.

As a bible study geek, Whitney's delight is to dig into God's Word for profound yet practical truth. A

communicator at heart, Whitney comes alive sharing those truths with any gal who will give her even a few minutes. In her former life she served as Talent Acquisitions professional for the corporate office of Chick-fil-A. This invaluable (and AMAZING) experience gave Whitney her love for helping women connect their passion with their purpose for the glory of God.

A girly-girl living among all boys, Whitney and Chad are raising their four sons, Cooper, Dylan, Ryder and Tate, just outside Atlanta, Georgia. Her house is wild, loud and littered with Lego's. Whitney is addicted to shoes, jewelry and ice crunching. Additionally, Whitney served her community as her local Bible Study Fellowship Teaching Leader for several years.

Landmark: Tiffany Weir and the band Landmark will usher in an incredible encounter with God through praise and worship. This is the fourth year Real Women Real Life has enjoyed Landmark's ministry in music.
