Real Women Real Life

We are the women's department for the Wisconsin/Northern Michigan Ministries Network of the Assemblies of God.

Mission Statement: Real Women want to impact others, their community and the world. We want to empower and equip today's Real Woman.

We have a prayer team that supports women through a prayer chain, **REAL LIFE**.

We support our nation and world through missions fundraising, **REAL HOPE**.

WE offer training events, networking and growth opportunities, **REAL PURPOSE**.

We coordinate events throughout the year to encourage and motivate, **REAL IMPACT**.

Stepping Into Leadership

Our goal, in SIL, is to encourage all women to use their God-given gifts, so they in turn can help build up the people in the local church and community.

We have a "Travelling Training Team" that ministers and visits communities in our District. Local leaders team up with SIL Leadership to plan events that are tailored to that church's unique needs. We offer incredible workshops, powerful services and wonderful times of prayer.
